SECTION I: ABOUT THE SCHOOL

MISSION STATEMENT

St. Ignatius Loyola Regional School is a vibrant community rooted in tradition. With faith in our hearts and love for others, we model Christ through our service and deeds. Our committed school family nurtures moral and spiritual values, develops discipline, and empowers our children to be strong leaders and good citizens. With faith in every child, we strive to ignite the love of Christ and aspire to excellence in all we do.

PHILOSOPHY

The administration, faculty, and staff of St. Ignatius Loyola School strive to develop a learning environment in which students grow in knowledge, increase in the appreciation of self, and respect in the uniqueness of the individual. A diverse atmosphere allows the student to be better able to meet the challenges of the world. Our Christian-centered program is designed to give the whole child the opportunity to flourish and to contribute to the quality of life.

The religious purpose of St. Ignatius Loyola School enables the students to expand their love of God based on the Gospels and teachings of the Catholic Church. Values and morals are taught and modeled in accordance with Catholic doctrine. Community service projects help the students put religious knowledge into practice.

A well-rounded curriculum provides the opportunities for spiritual, moral, intellectual, cultural, social, and physical development. Many experiences are provided for students which will enhance social maturity and growth through interaction with peers, school personnel, and community.

Mutual purpose and respect is the link between parents and teachers as we strive to enhance the educational process and cooperative spirit of learning necessary for students to develop to his/her potential.

In order for growth to take place, one must examine and discuss the values resulting from change. Teachers are evaluated on both a formal and informal basis. Students are also evaluated formally and informally through a variety of methods. Each teacher maintains his/her classroom in a manner representative of Catholic education. Classroom teaching consists of a combination of large and small group instruction, project sharing, and evaluation. Based on teacher observation, students receive individual assistance and enrichment material as needed.

The instructional program includes all basic expectations of the Commonwealth of Pennsylvania and the Diocese of Allentown. All textbooks are reviewed and selected from a list provided by the Diocesan Office.

Leadership in our school encompasses the pastor, the principal, and the faculty. Guidelines are provided by the Diocese of Allentown, Department of Education. Within our school, policy that is developed and formulated through consultation with our principal, pastor, and faculty is effectively implemented.

SCHOOL HISTORY

Saint Ignatius Loyola School opened on September 6, 1967 for students in grades 1 through 8 with Sister M. Perpetua, School Sisters of Saint Francis, as the school's first principal. Two expansions have been made to the original school taking the total classroom size from 8 rooms to its current size of 21 classrooms.

A Kindergarten was opened in the fall of 1979. Currently, the school provides education for students from Pre-K through eighth grade.

St. Ignatius Loyola Regional School is located in Berks County, Pennsylvania, in a middle to upper-class suburb of the city of Reading. Over the last five years, our school has become more diverse in terms of both ethnicity and socioeconomic status. The school graduated its 50th eighth-grade class after the 2016-2017 school year. We offer a history of tradition in the community and an outstanding academic program.

As a Catholic School, we believe:

- we provide a safe environment which brings out the best in each child enabling them to achieve their full potential.
- we respect the dignity of every person.
- collaboration between teachers, parents, and students promotes a new generation of Catholic leaders.
- every student is valued as a unique individual with God-given talents which they use to glorify God.

MEMORANDUM OF UNDERSTANDING

Every Catholic school student has a right to be treated as a child of God, with the love and respect that implies, regardless of family circumstances. In like manner, the believing community has the right to an education guided by Catholic teaching and identity, unimpeded by pressures contrary to Church teaching.

As parent/guardian of a student in a Catholic school, I understand, affirm, and support the following:

The primary purpose of a Catholic school education is two-fold: to form students in the teachings of Jesus Christ and the Catholic Church, and to strengthen the Catholic community in its faith.

Catholic schools are distinctive religious education institutions guided by the teachings of the Catholic Church. They are not simply private schools offering a positive moral code. Rather, they exist to advance the faith mission of the sponsoring Catholic parish(es), Diocese, or Catholic religious community.

While Catholic education places a high value on academic excellence and extracurricular achievement, its fundamental priority is fidelity to Catholic teaching and identity.

Attending a Catholic school is a privilege, not a right. The school and its administration have the responsibility to ensure that Catholic teaching and moral integrity permeate every facet of the school's life and activity and that the school is able to function as a community of faith.

In all questions that involve Catholic teaching, morals, and Church law, the final determination rests with the Bishop.

As a parent/guardian desiring to enroll my child in a Catholic school, I accept this memorandum of understanding. By signing the handbook policy agreement, I pledge support for the Catholic identity and mission of this school and by enrolling my child I commit myself to uphold all principles and policies that govern the Catholic School.

TERMS OF ENROLLMENT

SECTION II: ADMISSION

ADMISSION POLICIES

Terms of Enrollment

St. Ignatius Loyola Regional School welcomes all admitted students and will take appropriate measures necessary to provide a structured and nurturing learning environment for all. It should be understood that all students and their parents are expected to uphold the rules and expectations outlined in this handbook and that students are to successfully perform the academic work required by the faculty to ensure satisfactory progress. Students attend St. Ignatius Loyola Regional School at the school's invitation. Continued enrollment is contingent upon favorable attendance, satisfactory academic performance, a positive attitude, and constructive behavior. A student considered to be in good standing is: (a) one who has not become subject to dismissal; (b) one whose record of conduct is satisfactory; and (c) one who has met all financial obligations to the school or made satisfactory arrangements with the school's administration. As members of the St. Ignatius Loyola Regional School community, responsible conduct and decisions are also expected outside of school as well as during all school-sponsored functions. Decisions relating to rules, regulations, procedures, discipline, or programs made within the administrative structures of the school are final. All students are admitted on a probationary status for the

period of one year.

Requirements for admission:

Age

A student who is four years old by October 15 is eligible for Pre-K. A student who is five years old by October 15 is eligible for Kindergarten. A student who is six years old by October 15 is eligible for first grade.

Required Documents

- Application form
- Birth Certificate
- Written immunization records
- Court ordered custody agreements (if applicable)
- Family Handbook Agreement Form
- Certificate of Individual Request for Loan of Textbooks and Instructional Material
- Parent release form to obtain previous school records (Grades 1-8)
- Baptismal certificate (if Catholic)
- If your child is accepted, there is a non-refundable fee due at the time of registration. Registration is not complete until the registration fee is paid and all documents, including immunizations, are complete.

Academic and Conduct Requirements

The principal shall review all documents required for application and registration as well as other information deemed appropriate to determine whether a student should be admitted to the school. Factors to be considered by the principal include, but are not limited to, the following:

- Proof of promotion to the grade to which the student is seeking entry
- Results of academic testing
- Any prior academic, conduct, or psychological records
- Students and parent's reasons for seeking admission to the school
- The prior identification of any IEP, 504, or specialized instructional or behavioral plan

It is the philosophy of St. Ignatius Loyola Regional School that students be placed in an educational environment where they will succeed. St. Ignatius Loyola Regional School may not be able to meet the educational needs of every student; therefore, not all students who apply will be accepted.

If the student is admitted to the school, the principal shall place the student at the grade level that is in keeping with the student's competence.

All students are admitted on probationary status. At times, a contract between St. Ignatius Loyola Regional School, the child and the child's parents will delineate continued enrollment at St. Ignatius Loyola Regional School. Should behavior problems surface and impede the academic and or social progress of the student or class, an alternative educational program may be required. Admission is on the recommendation of the administration after the review of the necessary documents.

Admission of Transfer Students

In addition to the above requirements, transfer students must sign a transfer of records for St. Ignatius Loyola Regional School to collect the following from all previous schools:

- Current report card
- Permanent record

- Standardized testing
- IEP, 504, or other academic/behavioral plans
- Conduct/behavior
- Health records
- Recommendations from previous teachers, principals, or counselors

A satisfactory academic and conduct record from the prior school is essential. Transferring students will be accepted on a probationary basis for a period of one year to ensure a satisfactory incorporation into the academic and behavioral code of the school.

Attendance of Non-Catholic Students

The Catholic school serves a variety of purposes, including the spiritual, academic, social, and physical development of the students. In the Diocese of Allentown, the primary purpose of the Catholic school, including those schools that have a substantial non-Catholic enrollment, is religious. We offer a complete Catholic religious education program and make every effort to develop faith in all the students so that they live a full Christian life. In imitation of the Lord Jesus who welcomed the children, St. Ignatius Loyola School welcomes all children, Catholic and non-Catholic. Our Catholic school has much to offer academically, spiritually, and morally. We believe that non-Catholic children can, in turn, enrich the school by their presence, interest and participation, and by sharing with the school community their own religious traditions.

As a condition of registration in St. Ignatius Loyola Regional School, the student and the student's parent(s)/ guardian(s) commit the student to attend Religion classes, to fulfill the requirements for this subject, and to attend religious functions offered as part of the school program.

Non-Catholic students may be admitted to St. Ignatius Loyola Regional School if:

- Adequate facilities and space are available without denying the admission of eligible Catholic students.
- In the case of transfer, the student's academic and disciplinary records are satisfactory.
- The reason for entrance or transfer is valid.
- Parent(s)/guardian(s) agree by enrolling their child to permit their children to attend Religion classes and religious functions that are offered as part of the school program.
- Parent(s)/guardian(s) commit themselves to accept and to promote the philosophy, goals, objectives, and regulations of the school as they appear in the school's handbook

At times of increased interest of parents in the religious and academic programs of St. Ignatius Loyola School, the following admission guidelines have been adopted and are in effect. Enrollment status will only be valid upon receipt of registration forms and fees.

1. Current students: students *in good standing*, who are presently enrolled in our school in grades Kindergarten through Seventh; parishioners, non-parishioners, and non-Catholics, will be guaranteed re-enrollment status upon receipt of re-registration forms and fees by the due date. All tuition from the previous school year must be paid in full.
2. New students: Acceptance into the general Pre-Kindergarten and Kindergarten program will be based on chronological age and the policy below. All students are admitted on a probationary status for the period of one year.
 - A. Siblings of students who are presently enrolled in our school, grades Kindergarten through Eighth, and whose parents are active members and financially support St. Ignatius Loyola Parish or St. Francis de Sales Parish in Robesonia.

- B. New Kindergarten students, including those who attended our preschool, whose parents are members of the parish of St. Ignatius Loyola or St. Francis de Sales.
 - C. Siblings of students who are presently enrolled in our school who are non-parishioners of St. Ignatius Loyola or St. Francis de Sales or non-Catholic.
 - D. Children whose parents are non-parishioners of St. Ignatius Loyola or St. Francis de Sales Parish.
 - E. Children whose parents are non-Catholic.
3. Transfer students: New students in grades one through eight will be accepted on space availability, satisfactory educational and health records, and receipt of all forms and fees. All students are admitted on a probationary status for the period of one year.

If full capacity has been reached in any class, all new students will be placed on a waiting list until class capacity for the next school term can be evaluated. Acceptance into Pre-Kindergarten and Kindergarten will be based on readiness screening.

SECTION III: ACADEMIC PROGRAM

ACADEMIC POLICIES

General Curriculum

St. Ignatius Loyola Regional School is fully accredited by the Middle States Association of Colleges and Schools. St. Ignatius Loyola Regional School follows the curriculum set by the Office of Education for the Diocese of Allentown. The Allentown Diocese curriculum guidelines based on the PA state standards are located on <https://www.adeducators.org> under Academic Excellence and Curriculum Standards.

Religious Formation

The curriculum centers on the study of Catholic Doctrine, combined with the constant effort to inspire consistent growth in a solid prayer life and living a faith-filled life.

Liturgical Celebrations

Liturgies during the school day include weekly Mass, Holy Day Masses (school uniform must be worn at Holy Day Masses), and other prayer services. Each class prepares at least one school Mass per year. Students in grades 2 through 8 receive the Sacrament of Penance during the school year at school Penance services. We encourage parents to receive this sacrament with their child(ren) frequently in their home parish. Students participate in visits to the Blessed Sacrament, Forty Hours in September, weekly Advent wreath candle lighting during Advent, the Stations of the Cross, prayer, fasting and almsgiving during Lent, and May Procession in early May. Parents are encouraged to attend liturgical celebrations. Non-Catholic students will attend all liturgical celebrations and participate as permissible.

Sacramental Preparation

Each parish schedules its own preparation for the Sacraments. Children in the 2nd grade prepare for First Penance and First Communion; in 7th-8th grades for Confirmation. Parents of children who are receiving these sacraments share with the priests and teachers the privilege of preparing their children for these sacramental experiences.

BOOKS AND MATERIALS

Covering of Books

All textbooks are to be covered. A laminated book cover or Book Sox may be used for hard-covered texts. Workbooks are to be covered with clear contact paper. This will help in prolonging the life of the book.

Book Bags

All books should be carried in a book bag to and from school.

Lost Books

When a book is lost or damaged, it is the responsibility of the student to pay for the lost or damaged book (whether classroom or library book). If a classroom book is lost or damaged, another book will be issued for the child's use for the remainder of the year after payment is received.

Supplies

Every grade receives a supply list and the list is available on our school website over the summer. It is the family's responsibility to provide the supplies needed per grade for their children.

Student Academic Responsibilities

The student is responsible for completing all class assignments and homework on time. Failure to do so indicates a lack of serious preparation for class. Incomplete homework assignments will result in a consequence appropriate to the grade level.

Class Participation

Students are expected to:

1. Give attention and respect to their teacher through active listening at all times
2. Show respect and concern for other students by a willingness to share and to take turns
3. Actively participate in class by responding orally or in writing as circumstances dictate
4. Use Chromebooks or iPads **only** when directed to do so by the teacher

Student Progress Monitoring

FACTS is the program utilized for reporting to the school community. Families are issued individual student access account codes and secure passwords for each registered student. The families may access the student's grades online through the website. Student Progress Reports are available online to families at approximately mid-trimester, and report cards are distributed at the end of each trimester.

Grading Policy

Criteria - A student's grade is based on the following criteria:

- Quiz and test grades
- Special projects
- Participation in class
- Completion of homework assignments

----------------	---------------------	------------------

Homework policy

Homework, an extension of school experiences beyond the classroom, includes written and study assignments. Its purpose is to reinforce skills taught in the classroom, to develop study and memorization skills, to encourage reading for information, and to develop creative ability, critical thinking and special talent through a project assignment.

Students are responsible for the completion of homework assignments. If an assignment is carelessly done, incomplete, forgotten, or "left home", the child is responsible for the completion of that work. When an assignment is not completed on time, students in grades 3-4 will receive a homework notice. At the teacher's discretion, the student will then be allowed to complete the assignment at home under parental supervision or through arrangements made by the teacher. Students in grades 5-8 will be issued a demerit for incomplete assignments. All students should be responsible for completing their assignments on time. The next morning or before the class period, the student must give the teacher the completed assignment and signed homework notice/demerit.

Homework assignments from one class are not to be completed in another class, unless free time is given.

Missed Assignments and Assessments due to Absence

Students are responsible for making up missed work and tests. Missed assignments will be made up at the discretion of the teacher; missed assessments must be completed within one week of the return to school.

Incomplete or missing assignments will be recorded as "missing" in the gradebook which will be calculated as a zero and are subject to late penalties which can result in a failing grade. The work must be submitted satisfactorily or the student may have to complete a summer program to advance to the next grade level. Students who submit late work within 1 week of the end of a trimester may not have the assignment graded and adjusted in the grade book until the start of the next trimester to provide the teacher adequate time to review the assignment. A new report card can be issued after the grade is updated in the gradebook.

Students may not be excused from physical education class unless they have documentation from a doctor (MD or DO). Reasonable accommodations may be made for students with minor injuries that did not require a physician's immediate attention; however, a note from the parent is required. If more than one class is missed in a trimester without documentation from a physician, the lack of participation will be reflected in the student's grade. If a student is not cleared for physical education class in school, the student may not participate in CYO or other school athletic activities.

Academic Probation

Occasionally, despite intervention on the part of the school, a student may not be able to demonstrate mastery of the curriculum and achieve passing grades. When this lack of progress is a result of the student not fulfilling his/her academic responsibilities, the student will be placed on academic probation. A student who does not fulfill his/her academic responsibilities in an academic trimester will be placed on academic probation for a period of time designated by the administrator. If the student is unsuccessful in meeting his/her academic responsibilities, the administration will review the student's continued enrollment in the school. If the school requires the student to receive academic support and intervention, and the parent refuses those supports and interventions, the school reserves the right to make decisions regarding the continued enrollment of the student.

Report Cards

Report cards are issued in December, March and June. Parents are asked to sign the envelope and return it to school within a week of issuance. Progress reports are available to view on FACTS in the middle of each trimester. The school will communicate to families when they are available to view.

Student Recognition (honor roll)

Students will earn this academic award if they meet the following criteria:

Grades K - 3 Principal's Award

Students in the primary grades can be eligible for recognition into the Principal's Award for good academic achievement. Students must have a satisfactory in conduct, effort and all minor subjects. Recognition is given each trimester.

Intermediate and Junior High Grades 4 – 8

1st HONORS – General average of 90, 90 or better in all major subjects; religion, mathematics, reading, English, spelling, social studies and science. Students must have at least a satisfactory grade in all minor subjects, and in conduct and effort.

2nd HONORS – General average of 85, 85 or better in all major subjects; religion, mathematics, reading, English, spelling, social studies and science. Students must have at least a satisfactory grade in all minor subjects, and in conduct and effort.

Students who are chronically late will not be eligible for honors.

Accelerated Math Programs

Students must meet the criteria in order to be placed in accelerated math. Students will not be placed in accelerated math solely by parent request. The criteria for admission to this program include:

- 90 overall Mathematics average for the year
- Proficient or Advanced level in the final Math Benchmark
- Periodic evaluation will be used to determine continued participation in this program.

The final decision regarding placement of students in the accelerated math program is made by the administration in conjunction with a recommendation from the student's math teacher. Students must meet the performance standards in order to remain enrolled in accelerated math.

Promotion or Retention

A student is promoted if the student has achieved a proper balance of academic, social, physical, and emotional development. Report cards will be issued each trimester to inform the parent/guardian of the student's progress.

A meeting with parents will be scheduled after each trimester if there are failing grades and a discussion of intervention or possible retention will be initiated at that time.

Retention is at the discretion of the administration in consultation with the teacher. Older students, who cannot achieve passing grades for the year, may be required to attend a summer program.

Graduation

Eighth grade students who have completed the prescribed course of study and maintained a suitable discipline record are eligible for graduation after all financial obligations have been met. Participation in graduation is a privilege, not a right. The school has the right to deny any eighth-grade student from participating in graduation exercises if, in the view of the school, the student's conduct, academic or disciplinary record indicates that the privilege should not be extended. The administration will determine procedures for graduation exercises. In keeping with the policy of the Diocese of Allentown, closing exercises for the Eighth Grade are kept simple with concentration on the religious aspect of the event. Awards and diplomas are presented following the Eucharistic Liturgy.

Class Placement Requests

The following criteria are used for placement of students in respective classrooms: teacher recommendations, student personality, ratio of girls to boys, and heterogeneous academic grouping. Should there be a compelling circumstance or consideration of which the administration is not aware, please provide these specific and articulable concerns, in writing, to the principal, NOT to your child's teacher. No specific classroom placement requests will be considered for the following school year if made after the last day of school.

ATTENDANCE

Excused Absences

Illness, quarantine, doctor's appointment, death in the family, school related absences, "take your child to work day", absences prearranged with the principal and those due to exceptionally urgent matters are cause for excused absences. However, the child is still marked absent for the time he/she is not in school. A student's parent or guardian must provide a satisfactory written explanation for the student's absence. The student must present this note to the homeroom teacher upon return. All absences will be treated as unexcused until the school receives a written excuse explaining the reason(s) for an absence.

Any student who is absent from school due to illness or injury for 3 or more consecutive days must provide a doctor's note to return to school.

COVID – if a student or staff member tests positive for COVID, they do not have to isolate at home for 5 days; however, they should remain home as long as they are symptomatic. Once the individual is fever-free for 24 hours without the use of medication and any other symptoms have subsided, return to school is allowable. (A physician's note indicating a return date will also be honored.)

A doctor's excuse must accompany the absentee note in the following situations, whether the child is absent only one day or more than one day: Communicable Diseases - Measles, Whooping Cough, Respiratory streptococcal infections, Scarlet fever, Strep throat, Mumps, Impetigo, Pinkeye, Ringworm, Scabies, Mononucleosis

If a request to send homework home is needed, it must be made when reporting your child absent.

Illness

If your child is not feeling well in the morning, DO NOT SEND your child to school. A child must remain fever free without the use of medication for 24 hours prior to returning to school. Any child who has vomited or has a fever should stay home. A sick child in school becomes more susceptible to other illnesses.

Appointments – Please limit appointments during the school day, as they negatively impact academic time.

When a child has a doctor or dentist appointment during the day, please follow this procedure:

1. Send a note to the homeroom teacher
2. Come to the office to sign the child out of class
3. Upon return, come to the school office with the child to sign them into school

If a child will be arriving late in the morning due to an above-mentioned appointment, please notify the school office the previous day, during the evening (please leave a message) or call the office by 8:15 AM.

Unexcused Absences

Absences are unexcused if they fail to meet the criteria of an excused absence. Students who are chronically absent for other than serious health reasons will not be permitted to participate in any extracurricular activities, field trips or other activities deemed eligible by the school administration.

A student is *truant* if the student has incurred *three* or more school days of unexcused absences during the current school year. A child is *habitually truant* if the child has incurred *six* or more school days of unexcused absences during the current school year. Students who are absent from a school for 10 consecutive school days shall be dropped from the active membership roll and reported to the student's public school district of residence.

Students who are absent for 10 days or more will require a doctor's note for subsequent absences to be considered excused. Chronic absence from school without a diagnosed illness may be viewed as truancy and could result in notification of the proper authorities. An elementary student who accumulates twenty (20) or more unexcused absences for the year may not be promoted to the next grade.

Lateness

When a child is late (after 7:55 AM), a parent must accompany their child to the school office. The parent must sign in the child. Chronic lateness will result in an administrative review of the situation. Late bus arrivals do not constitute a late arrival.

Early Dismissal

No student may leave school without permission. Early dismissals should be limited, as they negatively impact academic time. If a student must leave school during the course of the day, the parent or guardian must provide a written request for the student's release. The parent/guardian or authorized representative must come for the student and sign the child out of school in the office. Students will only be released to authorized individuals. See *Release of a Child*

Vacation Policy

A [Temporary Absence \(Trip\) Form](#) must be completed and submitted prior to the vacation. **Vacations are unexcused absences** unless they have been approved prior to the trip. Assignments are given when a student **returns** from a vacation. Assignments will not be given in advance, only upon return to class with specific due dates. All work must be completed within one week of returning to school.

Release of Child

All students must have a student release form on file. Students will only be released to persons listed on the Student Release Form.

Change in Transportation

If there is a change in your child's mode of transportation, please notify the office by email or phone call prior to 1:45 PM.

Review or Transfer of Records

St. Ignatius Loyola Regional School will transfer student records directly to the receiving school. If a parent wishes to review their child's official file, the request must be made in writing twenty-four hours prior to the review.

Bullying/Harassment Policy

The Secretariat for Catholic Education (Office of Education) for the Diocese of Allentown is committed to providing a caring, friendly, safe and respectful environment for all students, employees, volunteers, and visitors of our schools. Each Catholic school, in fulfilling its role within the educational mission of the Church, must share and live out, through Catholic Christian tradition, the message of Jesus Christ and be committed to providing an integrated Catholic educational environment that permeates all aspects of its daily life and operations. Therefore, acts of harassment, hazing, intimidation, and bullying (including cyber bullying) are unacceptable behaviors and are prohibited in our schools. (See St. Ignatius School website for ACT form to report bullying)

Bullying, cyber-bullying, harassment, intimidation or hazing constitute conduct that disrupts both a student's ability to learn and a school's ability to educate its students in a safe and embracing Catholic environment. This behavior is against

the fundamental tenet of “Love your neighbor as yourself,” and destroys respect for the dignity of the student, undermines the Christian identity of the school and deprives the student of a safe and caring learning environment.

- Initiate immediate talks with the bully or bullies.
- Talk with the Target student(s) and her/her parents/guardians.

Depending on the severity of the incident, or the series of incidents, the administration may also take appropriate steps to ensure student safety. These may include implementing a safety plan, separating and supervising the students involved, exclusion of parents of involved students (victim and offender) from school premises and school-sponsored activities to prevent extension of conflict, providing staff support for students when necessary, contacting mental health professionals for counseling, reporting incidents to law enforcement, in school/out of school suspension or expulsion, loss of privileges in school.

Demerits/Detentions

If a student receives a demerit/detention, the form must be signed by a parent, and returned the next day to the teacher/staff member who issued the demerit.

Detentions

The procedure for serving detentions for behavior problems or other school violations will be as follows.

1. When any type of discipline problem begins, the teacher will notify parents immediately, either by phone or in writing with a detention form.
2. The student is required to stay after school on the assigned day that the detention is issued. Grades 2 – 3 (2:45 PM to 3:15 PM), Grades 4 – 8 (2:45 PM to 3:45 PM). Failure to stay will result in the issuance of a second detention.
3. If the situation for which the detention was issued does not improve, a conference will be held with the principal, teacher, parents and student. At this conference, steps will be discussed to prevent a recurrence.
4. Detentions based on demerits are cumulative throughout the year and will affect the conduct grade on the report card.
5. Multiple detentions could result in a loss of activity, Saturday detention, school suspension or expulsion.

Suspension

Formal suspension is a serious disciplinary action taken by school administration against a student whose actions constitute a major disciplinary infraction and are contrary to the good order or safety of the entire school community. Suspension is a major step toward possible dismissal. Suspension from school means suspension from all school related and CYO activities and events.

The common good of the entire school community needs to be valued by all. Choices that infringe upon this end must be dealt with in a fair and just manner.

Serious or severe infractions may include but are not limited to suspension or dismissal and apply when students are on campus, on a bus, or at school-sponsored and CYO functions.

Self Harm

Self-harm, or suspected self-harm will be addressed with the student, the student will be screened and parents will be notified immediately. The parent must return the student to school with a note from a qualified professional stating that the student does not pose a risk to self or others.

Threats of Harm

When the principal receives a report from a student, teacher, and/or parent that a particular student has made a threat of harm, this matter may be referred to the local law enforcement agency. In addition, in the case of threats of violence or harassment, in any form, including oral, written or electronic, by a student against any member of the school community, the student, if suspended but not dismissed, may be required to have psychological or psychiatric clearance before returning to school.

In the event of complaints regarding threats of violence or harassment, one or more of the following steps will occur:

- Phone call to parent for an immediate meeting
- Detention
- Probation
- Suspension from school
- Suspension from school until counseling can occur
- Notification of proper authorities
- Expulsion

Depending on the type and severity of the incident, and the grade level of the student, the steps of action may not occur in the sequence above.

Disciplinary Probation

Disciplinary probation is a means by which the faculty and administration can closely monitor a student's success or challenges. The administration reserves the right to implement a behavior contract outlining expectations of behavior and the consequences of noncompliance. The length of disciplinary probation will be determined by the school administration.

Dismissal from School or Expulsion

1. Ordinarily a minimum of two suspensions during the academic year may lead to a student dismissal. In certain incidents, the seriousness of the offense may warrant immediate dismissal.
2. The school administration has the authority to dismiss a student from school.
3. A student is given an indefinite suspension pending a thorough investigation. Dismissal from school is not formalized until the investigation is complete, allowing time for discussion, inquiry, and evaluation by the administration and any law enforcement agencies which may be involved in the investigation.
4. Tuition and fees will not be refunded if a student is dismissed.
5. The school reserves the right to dismiss any student from school because of the actions of parents or guardians that are in opposition to the school code of conduct or the mission of the school. Harassment of employees or students by parents or guardians may result in the dismissal of the student(s).

CONDUCT AND DISCIPLINARY ACTION SUMMARY

The above discipline categories do not cover every possible situation. St. Ignatius Loyola Regional School faculty and administration reserve the right to determine inappropriate and unacceptable behavior.

Conduct by students or parents/guardians, or anyone acting on their behalf, incompatible with the educational and religious mission of the school is grounds for disciplinary action, including, but not limited to the immediate dismissal of the student, as well as reporting the incident to the appropriate legal authorities where appropriate.

The administration reserves the right to discipline students for off-campus conduct, if that conduct is in any way associated with teachers, staff or students of St. Ignatius Loyola Regional School, where the behavior is contrary to Catholic teachings, or could bring disrepute, embarrassment, or disruption to the school.

Parents are expected to support school personnel in matters of discipline and comply with disciplinary action. The administrator is the final recourse in all disciplinary situations and may waive any and all regulations for just cause at his or her discretion.

SAFETY

Once our additional security cameras are operational, monitoring and recording both inside and outside of the building will occur at all times. All doors are locked during the hours of 7:55 AM – 5:30 PM while school is in session. All visitors must enter the building by the main office, sign in and procure a name label, which must be worn and visible at all times.

If a parent needs to see a teacher at dismissal time for homework, you must report to the office and wait until 2:45 PM. If you are coming to pick up your child, report to the office and your child will be called.

The parking lot on St. Albans Drive is closed between the hours of 9:00 AM - 2:00 PM to provide an area in which the students can play safely. Volunteers who are in the building during this time period should use the lot on the Van Reed Road side.

Safe Environment

One of the mandates of the Charter passed by the United States Conference of Catholic Bishops is that preventive measures be put into place to ensure the safety of our youth. With this mandate in mind, we have implemented a Children and Adolescent Protection Program in our schools. The purpose of the program is to help children improve self-reliance and master personal safety skills – all while reassuring them that most people are kind, safe, and committed to their well-being. The age-appropriate material has been prepared according to the teachings of our faith and is taught once a year. By signing the handbook policy agreement and enrolling in St. Ignatius Loyola Regional School, parents/guardians consent to having their child(ren) participate in the lessons.

Safety Drills

Safety drills are required by the Diocese of Allentown and are an important safety measure. At the sound of the alarm or other designated signal, it is essential that everyone in the building act according to the procedures, quietly and quickly. Silence is mandated during drills, so students can hear directions from the faculty, staff, and administration.

Emergency Closings/Delayed Openings

Information about weather-related emergency closing, delayed openings, or early dismissals will be communicated by text/email/phone via the school parent alert system and will be reported to WFMZ.

In the event of emergency closings, it is impossible to contact every individual parent; therefore, please discuss with your child(ren), how they will go home from school in case of an early dismissal. We suggest making arrangements with a relative, neighbor or friend. Extended Care will not be available for weather-related early dismissals or closings.

If your child rides a bus, please follow the delay start schedule for your school district, unless otherwise notified by your district's transportation office:

Example: regular pick-up 7:20 AM, 2 hr. delay - 9:20 AM

Again, when a delay is announced for St. Ignatius Loyola Regional School, follow your school district's bus schedule. If St. Ignatius School is open but the child's school district is closed, the child does not need to report to school. On the child's return to school, an absence form listing LACK OF TRANSPORTATION is necessary.

Emergency Crisis Plan

In accordance with Diocesan directives and our own crisis management plan, we have established a contingency plan to deal with the recent increase in security levels mandated by our government. All doors will be locked at 7:55 A.M. Parents picking up or dropping off students after this time should ring the buzzer for access.

In the event of a crisis please follow the guidelines below.

- DO NOT call the school. Please wait until information can be supplied to you via the school parent phone alert, text or email. The reason for this request is to allow the phone lines to be open for any emergency instructions that might be relayed by local officials.
- If officials authorize the transportation of students, an announcement will be made in regards to an early dismissal. Parents who wish to pick up their children may now notify the school office (610-678-0111). Students will be dismissed only to parents or their authorized representative. (A phone call by the parent to the office to indicate who will be picking up their child will be necessary.) If a phone call is not received, students will be sent home by their normal mode of transportation, with the exception of walkers. (ex. If a student is normally a bus rider, and no call is received, they will be sent home by bus.) A walker MUST be picked up by a parent or authorized representative.
- Specific protocol will be communicated with parents if required.

Should circumstances dictate that we would remain in school for an extended period of time, steps have been taken to ensure an adequate supply of food and water.

If your child is dependent upon any prescription medication, it would be wise to send a small supply to the school office. Students with asthma, who require an inhaler should have it with them at all times. Epi Pens can also be kept in the office for an emergency.

Please be assured that we are taking all steps necessary to ensure the safety of our students.

RESPONSIBLE USE POLICY FOR TECHNOLOGY

Diocese of Allentown

St. Ignatius Loyola Regional School Acceptable Use Policy for Computing and Internet Access

The following is a summary of the Acceptable Use Policy for Computing and Internet Access at St. Ignatius Loyola Regional School. The complete policy may be found online at the school website (www.stignatiusvikings.org) or in the school office.

The Computer Teacher will provide age-appropriate training for students who use the school Internet facilities with regard to safety on the Internet, cyberbullying awareness and response, and appropriate computer behavior. All student users must abide by the terms of all software licensing agreements and copyright laws. (All communications and information accessible via the network should be considered to be private property.) **A USER WILL BE MONITORED AT ALL TIMES.** Violation of the following will result in the user being barred from using the computer.

- a. Any unauthorized, deliberate action which damages or disrupts a computing system, alters its normal performance, or causes it to malfunction is a violation, regardless of system location or time duration.
- b. Copying programs to or from St. Ignatius Loyola Regional School computers and/or network systems, without the express, written consent of the school.
- c. Abusing computer equipment.
- d. The willful introduction of computer "viruses" or other disruptive or destructive programs into the computer and/or network, or into external computers and/or networks.
- e. Vandalism is prohibited. This includes, but is not limited to, any attempt to harm or destroy the data of another user, the network/Internet, or any networks or sites connected to the network/Internet. Attempts to breach security codes and/or passwords will also be considered a form of vandalism. A student may only change his or her password by consulting Ms. Bayerle.
- f. Sending harassing, obscene and/or other threatening communications electronically, otherwise known as "Cyberbullying", is prohibited.

Internet Access-Terms and Conditions

The purpose of accessing the Internet is to support research and education in and among academic institutions by providing access to unique resources and the opportunity for collaborative work. All use of the Internet must be in support of education and research, and consistent with the educational objectives of St. Ignatius Loyola Regional School. Each user is personally responsible for this provision at all times when using the network.

The use of the Internet is a privilege, not a right, and inappropriate use will result in the cancellation of those privileges. All users must use appropriate language at all times.

Because use of the Internet will be in support of education and research, and consistent with the educational objectives of St. Ignatius Loyola Regional School, the Internet will not be used by students for email, chat rooms, shopping, or any other commercial activities or product advertisement. However, students will be educated about appropriate online behavior, including interacting with other individuals on social networking websites and chat rooms; cyberbullying awareness and response will also be covered.

With access to computers and people all over the world also comes the availability of material that may not be considered to be of educational value in the school setting. St. Ignatius Loyola Regional School has taken precautions, which are limited to known sites, to restrict access to controversial materials. A filtering system has been installed to prevent access

to questionable sites. However, on a global network it is impossible to control all materials and an industrious user may discover controversial information. St. Ignatius Loyola Regional School and the Diocese of Allentown firmly believe that the valuable information and interaction available on this worldwide network far outweighs the possibility that users may procure material that is not consistent with educational goals.

St. Ignatius Loyola Regional School makes no warranties of any kind, whether expressed or implied, for the service it is providing. St. Ignatius Loyola Regional School and the Diocese of Allentown will not be responsible for any damages you may suffer. This includes loss of data resulting from delays, non-deliveries, misdeliveries, or service interruptions caused by the system or your errors or omissions. Use of any information obtained via the system is at the student's own risk. AI Policy: At St. Ignatius Loyola Regional School, the use of Artificial Intelligence (AI) is encouraged at the teacher's direction and discretion as a valuable educational tool to enhance learning experiences and foster creativity. Students may interact in consultation with AI-powered applications and platforms provided by the school, which are designed to support their academic growth and engagement. (It will be used as a tool to guide them, it will not be used as a tool to copy and paste information.) However, it is essential to ensure responsible AI usage. Students must respect the privacy and safety of themselves and others, refraining from sharing personal information with AI applications or engaging in harmful, inappropriate, or malicious activities. Teachers and staff will monitor AI interactions to maintain a positive learning environment. Additionally, students are encouraged to develop critical thinking skills by understanding AI's limitations and potential biases. The school promotes the ethical use of AI and fosters a culture of inclusivity, ensuring that technology remains a valuable tool in the pursuit of knowledge and discovery while respecting the rights and well-being of all individuals in our school community.

ELECTRONIC DEVICES AND CELL PHONES

Protocol for Cell Phone Possession and use of Cell Phones in School

The administration of St. Ignatius Loyola Regional School believes the wisest course is to permit students to bring cell phones to school with a number of conditions.

- All cell phones and smartwatches must be turned-in to the classroom teacher upon entering each morning. It is recommended that phones be placed in a plastic bag labeled with the student's name. The cell phone/smartwatch will be returned at the end of the day. Students have no need of a private phone while in the school building.
- Cell phone use is not permitted in the classrooms, hallways, or on school grounds by students.
- Students may not use their cell phone or smartwatch to make/receive calls, send/receive texts, record audio, video, take pictures, play music, or post to social media during school hours, unless directed by a teacher. For this purpose, the school day is defined as from 7:30 AM until 2:30 PM.
- For students in the after-school program, phones must be off until the time of pick-up.
- The taking of pictures or video of any faculty or staff members is forbidden without their expressed permission. The same policy applies to students without parental permission.
- Harassment, bullying, or threatening of persons via the cell phone is forbidden whether during school or after school hours.
- Cell phones may not be used for texting, posting game playing, internet or e-mail access, gambling, or making purchases of any kind during the school day.

A school official who hears a phone ringing or sees a phone/smartwatch in use during school time will confiscate the offender's phone/smartwatch. The phone/smartwatch will be returned at the end of the day. For subsequent offenses, the cell phone/smartwatch will be confiscated and a parent will be contacted to pick it up.

St. Ignatius Loyola Regional School reserves the right to search the contents of the cell phone or electronic device if it is brought on school property. Students may not communicate the need to be picked up from school via cell phone during school hours; a call of this nature will come from the school office or nurse. If a student must make or receive a phone

call during the day due to an emergency, the office phone will be used. Please do not communicate changes in transportation via your child's cell phone. All changes in transportation must be communicated through the school office.

Those who violate any rules regarding cell phones/smart watches will be subject to disciplinary action and may forfeit their privileges of bringing them to school.

SECTION VI: STUDENT SERVICES

STUDENT HEALTH

Medical Records

The Commonwealth of Pennsylvania and the Diocese of Allentown mandates that all children entering the Kindergarten or First Grade present documented proof that immunizations have been received. This information can be found on the Pennsylvania Department of Health website under immunizations.

School Nurse

School Nurse - The Wilson School District provides a nurse to us one day a week. In emergency situations a nurse from the closest school is readily available.

Medical Forms Needed - State Regulations require that physical examination forms must be filled out by a doctor for students in kindergarten and sixth grades. A dental examination is required for kindergarten, third, and seventh grades. A physical and a dental examination is required of all new students.

Communication of Health Concerns

Parents should notify the school of any serious physical problems or disabilities their child may have and of special treatment or care needed to be given in an emergency. Emergency cards are on file for each student. It is important to keep information current.

Student Exclusion from School

Students, staff, and volunteers who are suspected by a physician or school nurse of having a communicable disease, infection or condition, will be excluded from school until verification is made that the criteria for readmission have been satisfied. More information can be found [here](#).

Immunizations

No child may be admitted to, or permitted to attend a non-public school unless the child has received the immunizations as required by the Pennsylvania law Article XIV, Public School 1949. (List can be found [here](#).)

Written proof of immunization, signed by a physician or other health professional, is required for every student. Students who are exempted from immunization due to medical contraindications must present to the school written confirmation from their private physician or treating agency.

Students enrolled in PreK must be current with the CDC recommended schedule. Documentation of the Pennsylvania mandated immunizations and updates is required prior to the start of the school year. If your child's immunizations are up-to-date and on file no action is needed.

Medication Policy

A student who must take medication during the day needs to follow these procedures. Only a school nurse can dispense medication. A nurse from Wilson will come as needed for daily prescribed medications.

When it is necessary for a student to receive ANY medication (including over-the-counter medications) at school,

1. Parents must complete the form “Authorization for School Medication Administration” which requires both parent and PHYSICIAN signatures. Copies can be obtained from the school nurse.
MEDICATION CANNOT BE GIVEN UNTIL BOTH PARENT AND PHYSICIAN WRITTEN PERMISSION IS OBTAINED. PARENTS MUST PROVIDE ALL MEDICATION INCLUDING TYLENOL.
2. PARENT MUST HAND DELIVER the medication (with authorization form) to the school office in the labeled prescription container and/or original over-the-counter container. (Upon request, most pharmacists will provide two labeled containers for a prescription, so that one can be brought to school containing the number of doses required to be administered during school. The parent/guardian or adult designee will count and note on the container the number of pills brought to school.)

Accident or Illness

Depending on the severity of an accident or illness, emergency services may be called. If parents or guardians cannot be reached, the designated emergency contacts will be called.

Food Allergies

If a student has any food allergies, the school must be notified; the allergy(ies) will be noted in the student’s file in the office, noted on FACTS, and shared with appropriate staff. If an Epi-Pen or inhaler is needed, it will be stored in the school office.

Lunch and Snacks

Tray lunch can be purchased each day in our cafeteria for \$4.00. This price includes lunch and a beverage. A calendar listing of meals is sent home monthly (menus are subject to change without notice). A la Carte items can also be purchased; items include pizza, hot dogs, chicken patties, salad, ice cream, Tastykakes, and soft pretzels.

Students pay for lunch through a LunchTime account. More information on the LunchTime program can be found on the school website under “Parents”.

3rd lunch 12:20 PM - 12:50 PM

The Diocese of Allentown prohibits any form of lunch shaming for unpaid meal charges by employees, volunteers, or students. Lunch shaming is defined as “discriminating against or stigmatizing children whose family account has outstanding credit or insufficient funds to pay for meals.” School employees will exercise sensitivity and confidentiality in serving students with insufficient or negative meal accounts. No school employee will subject a student to embarrassment or ridicule based on the balance in his or her meal account. If a student’s meal account is inadequate to pay for a meal, the school will provide a full meal to the student and parents will be notified. If the balance exceeds \$40, the student will be given essential food items only (entree, beverage). No school employee may deny a meal benefit to any child as a disciplinary action. Schools will contact parents and guardians prior to the end of the school year to inform them about outstanding meal charges. Unpaid Lunch fees may be loaded into STS management for collection.

LEARNING SUPPORT

The Learning Support Program offers individualized or small-group instruction to students with (IEP’s) Individualized Educational Plans or students who require additional or specialized instruction. It is also utilized by students as a quiet place for testing, to receive assistance while testing, and for access to materials that better suit their learning styles and capabilities.

SCHOOL COUNSELOR

The aim of the school counselor is to address the needs of a student in a way that is specific to the individual. Students will be encouraged to acknowledge and embrace their important role in our school, society, and the community. Students with learning disabilities will be encouraged to embrace their strengths and utilize the tools they possess to succeed within academia.

GOVERNMENT SERVICES

Act 89 provides us with Remedial Reading (K-3) and Speech Therapy (K-8) through the Berks County Intermediate Unit #14. Children also benefit from Title I Services for reading.

SECTION VII: PARENTS AND THE SCHOOL

RESPONSIBILITIES OF PARENTS/GUARDIANS

Parents and guardians must weigh seriously their obligation to educate their children in an atmosphere of love and respect for God and others. The home is the first educator of the social virtues essential to any well-ordered society.

Active cooperation of parents and guardians is expected and required as follows:

PARENT CODE OF CONDUCT

Just as we expect faculty and staff to treat our students in a Christian manner, St. Ignatius Loyola Regional School also expects parents/guardians to treat persons in the school community in a way that is Christ-like. Parents/Guardians may not conduct themselves in a manner that is detrimental to the reputation of the school or sow discord among the school community. This includes in-school and at school-sponsored events, CYO events, as well as in the school/parish community, outside the school/parish community, and in an online environment. Posting defamatory or negative statements about the school or school personnel by email, text or on social media is considered conduct inconsistent with the mission of the school. Non-compliance may result in exclusion from school events or the dismissal of their children from St. Ignatius Loyola Regional School.

CUSTODY OF CHILDREN BY PARENTS

Parents are asked to inform school personnel when legal custody of the child(ren) resides with one parent. It is the responsibility of the custodial parent to provide a copy of the custody decree. This will help school personnel to make effective decisions when the need arises. Custodial parents are likewise asked to supply the school with copies of restraining orders if the need arises. Those individuals who have legal custody of the student may attend school meetings, participate in educational decisions and review educational records regarding that student. Persons who do not have legal custody (including those with visitation rights but not legal custody) have no such educational rights and may not participate in these matters. The school may require parents/guardians to sign an agreement regarding the administration of parental participation issues and payment of tuition. A copy of this agreement will be kept on file in the school office.

Unless a court or custody agreement specifies otherwise, each parent/guardian with legal custody is entitled to access all school records of the child. Absent a subpoena or court order, school records of the child (ren) may be disclosed only upon written consent of the parent/guardian with legal custody. The school is required to provide only one set of school grades, notices, and other related educational materials. The school is not required to hold separate meetings for parents. It is the responsibility of the parent/guardian to communicate such information to each other. A child will not be released to a parent/guardian who does not have physical custody, without the written consent of the custodial parent/guardian.

To determine the custodial parent/guardian, all separated or divorced parents of children enrolled at St. Ignatius Loyola Regional School must provide the school with a copy of the court order or custodial agreement adjudicating that determination of custody. This agreement is placed in a confidential file. In instances where never-married, separated, or divorced parents/guardians do not have a court ordered custody agreement in place, both parents are treated as custodial parents.

The school voluntarily complies with the provision of the Buckley Amendment: "Non-custodial parents will be given access to unofficial copies of student records and staff will be available to discuss the student's records, unless a Court Order providing otherwise is filed with the school." Parents must forward a copy of all court orders to the school office.

SCHOOL COMMUNICATION

Family Communication

The school will send regular updates of school news (in newsletter format from SIL Communications). More timely/critical information will be sent as a parent alert through FACTS.

Submitting Announcements

Organizations/groups can email information to the school for inclusion in the school news mailing.

Parent Contact of Teachers

Faculty and Staff should not be called at home. Parents should either call the school and leave a message for the teacher or can email the teacher directly. Teachers will respond to messages in a timely manner.

FORGOTTEN LUNCHES AND OTHER BELONGINGS

SCHOOL FUNDRAISERS

WALK-A-THON

VOLUNTEERS AND CHAPERONES

The number of parent volunteers, who help us each day, blesses our school. Your cooperation is required in the following areas:

1. Dress Code – Please dress in a respectful and professional manner when helping our students. You serve as a special role model to them. Office casual dress would be considered appropriate, and we ask that you refrain from wearing jeans or shorts.
2. Please sign-in at the office when you arrive. During your stay you are asked to display your visitor badge, so you are readily identifiable to anyone who sees you. Your badge includes your name and indicates your compliance with the Safe Environment protocols. When you leave, please sign out in the office.
3. All volunteers must complete the requirements established by the diocese in order to volunteer in the school. These policies can be found below and on our school website under Clearance Requirements.

4. The Diocese of Allentown also requires all volunteers to attend a program entitled “Protecting God’s Children”. This program is mandatory. Dates and times are available online.

5. Volunteers are limited to – two at a time, per classroom under normal situations; any changes with this number need to be approved by the administration.

Volunteer Requirements

The United States Conference of Bishops' Charter for the Protection of Children and Young People mandates that every diocese implement Safe Environment programs for all children, parents, and adults. The principal purpose of this Charter is to ensure a safe environment for the children of each diocese.

Here in the Diocese of Allentown, a number of steps have been taken in order to implement these guidelines pertaining to reconciliation, healing, accountability, and prevention of future acts of abuse. The Diocese has more information regarding Youth Protection at their website:
<https://www.allentowndiocese.org/>

Below is a list of the requirements necessary to volunteer at St. Ignatius Loyola Regional School and Parish. All forms and certificates should be submitted to the school office.

SECTION VIII: STUDENT LIFE

EXTRACURRICULAR ACTIVITIES

FIELD TRIP POLICY

Field trips are for educational, cultural or social purposes. Each class is permitted two (2) field trips per year (this does not include administration-planned trips such as concerts at the Sovereign Performing Arts Center or bonding activities with Berks Catholic High School.)

Field trips are planned so a child will derive the maximum value from them. The teacher plans these trips after consultation with the principal. Field trips are not optional since they are planned to take the place of the structured school day. Students are responsible for the cost of these trips. Bus transportation is the preferred mode of transportation. In the event cars are used, car insurance information must be on file in the school office.

The number of chaperones is dependent on the discretion of the teacher and the security needs of the students (based on the age of the students and the location of the trip). There is to be only one chaperone per family, per trip. If the number of interested chaperones is greater than the needed number of chaperones, these names will be picked by lot. Since chaperones will be asked to be responsible for a certain number of students, siblings are not allowed to attend. Chaperones must not leave the location of the trip and must remain responsible with students in their care at all times.

All chaperones **must** be up to date on all requirements for volunteers! (Requirements are listed in Section VII and can be found on the school website.)

A student can be excluded from a field trip due to behavioral issues. The administration and teacher maintain the right to cancel any field trip due to behavioral, academic, health or safety issues.

Student Council

The St. Ignatius Loyola Student Council allows students to learn about leadership while helping to represent fellow students. The council shares students' ideas with school faculty and establishes service projects as appropriate.

BEHAVIOR AND DISCIPLINE

In Pre-K we believe in rewarding good behavior. Students are encouraged to make good choices throughout their day. They are rewarded for good choices with stickers and happy faces. When they have earned 5 good days, they will be able to pick something special from the prize box. Happy faces are never taken away for “poor choices”.

SECTION XI: FORMS

Virtual Classroom Video/Audio Recording

In order to provide continuity of instruction during virtual learning days (which would occur due to inclement weather or other circumstances), St. Ignatius Loyola Regional School will use a variety of teaching methods, including virtual classroom activities. Participation in virtual classroom activities is subject to school policies and regulations, including, but not limited to: student conduct/behavior and acceptable use of technology.

I/We understand that my child's instructor may conduct virtual classroom activities. Be aware that video, including audio, will be used for teaching purposes, and at times, teachers may record classroom activities for educational use/purposes. The recordings will only be shared within the school setting for students unable to attend the virtual classroom activity in real-time. Video recordings will be available for download so that school students may access said recordings during remote learning, but such use will be limited to school students only. School students can view them online or offline in coordination with their daily instruction. Any use of said virtual academic content outside of school's instructor or administrator approved use, such as uploading or sharing of said video content to a third-party website, personal website, or a social media account is strictly prohibited. This prohibition also extends to sharing such recordings to non-school students.

The instructor will provide advance notice of recording a classroom activity. If you have questions or need assistance with virtual classroom activities, please contact your child's instructor or St. Ignatius Loyola Regional School.

I/We hereby consent to the school's collection, use, and/or disclosure of information about my child through video conferencing and recording applications and other manual and/or electronic procedures utilized within course instruction. I/We understand that my child is participating in a virtual academic setting, and that the information collected is a part of the remote classroom experience currently being utilized. This consent form covers all forms of remote learning courses. The information supplied to the instructor and/or School is meant solely for educational and class related use.

My signature on the handbook agreement form means that I agree with the *Virtual Classroom Video/Audio Recording* policy

MEDIA RELEASE OPT-OUT: If you do not consent to having your child photographed, videotaped, or interviewed by the media, you will need to file an opt-out form which can be obtained through the school office. This opt-out form must be received within the first 5 days of the school year start date. Otherwise, by signing the handbook agreement form, you consent to the photographing and videoing of your child. Please note: This form does not override the *Virtual Classroom Video/Audio Recording agreement*.
